

Valid starting from 1 January 2012

Tariffs for Firm Capacity Products

Tariffs for Firm Capacity Products for a booking period of one year:

ENTRY POINT	TARIFF (Euro / kWh/h / year)			
	FZK	bFZK	BZK	Limited
Bocholtz	2,36	1,81	1,56	0,28
Eynatten	2,36	1,81	1,56	0,28

EXIT POINT	TARIFF (Euro / kWh/h / year)		
	FZK	bFZK	BZK
Eynatten	-	-	1,47
Wallbach	1,67	-	1,24

Tariffs for booking of Firm Capacity for less than a year are calculated with the tariffs shown above multiplied by the following factors for the respective month:

	days	daily	monthly	quarterly	half-yearly
October	31	0,003330866	0,10325685	0,3332	0,6839
November	30	0,003330866	0,09992598		
December	31	0,004194424	0,13002714		
January	31	0,004194424	0,13002714	0,3507	0,6839
February	29	0,004049788	0,11744385		
March	31	0,003330866	0,10325685		
April	30	0,001727116	0,05181348	0,1572	0,3161
May	31	0,001727116	0,05354060		
June	30	0,001727116	0,05181348		
July	31	0,001727116	0,05354060	0,1589	0,3161
August	31	0,001727116	0,05354060		
September	30	0,001727116	0,05181348		

Tariffs for Interruptible Capacity

Tariffs for Interruptible Capacity for a booking period of one year:

ENTRY POINT	TARIFF (Euro / kWh/h / year)
Bocholtz	1,27
Eynatten	1,27

EXIT POINT	TARIFF (Euro / kWh/h / year)
Eynatten	1,03
Wallbach	1,06

Tariffs for booking of Interruptible Capacity for less than a year are calculated with the tariffs shown above using the same rules described for the corresponding tariffs for Firm Capacity Products.

Tariffs for Reverse Flow Interruptible Capacity

Tariffs for Reverse Flow Interruptible Capacity for a booking period of one year:

ENTRY POINT	TARIFF (Euro / kWh/h / year)
Wallbach	0.61

EXIT POINT	TARIFF (Euro / kWh/h / year)
Bocholtz	0.72

Tariffs for booking of Reverse Flow Interruptible Capacity for less than a year are calculated with the tariffs shown above using the same rules described for the corresponding tariffs for Firm Capacity Products.

Settlement Charge

According to § 15 Section 7 GasNEV (Gasnetzentgeltverordnung – Gas Network Fee Ordinance), a one-time settlement charge equal to 382.00 Euro will be charged for each Exit Contract at each Exit Point operated by Fluxys TENP TSO S.p.A..

Contractual penalty for Capacity Overrun

Hourly capacity overruns according to Article 30 of the Entry/Exit Contract Terms & Conditions shall establish a claim for charging of a capacity overrun fee by Fluxys TENP TSO S.p.A... The fee for an hourly overrun shall be three (3) times of the daily tariff applicable at the day and the point where the overrun occurred.
