1 Introduction

From June 16th until July 07th 2023 included, Fluxys Belgium consulted the market on its proposed changes in the regulatory documents.

The proposed modifications in the Access Code for Transmission aim at the following changes:

1. Modification of the calculation frequency of the hourly Distribution Capacity per type of Customer

2 Consultation process

Fluxys Belgium launched this market consultation by publishing the proposed documents on its website - at the usual location for such consultations, supported by an announcement on the homepage - and via direct e-mailing to all registered market participants and associations. During the period from June 16th until July 07th 2023 included, stakeholders were invited to submit their written feedback and if needed, seek additional information through bilateral contacts with Fluxys Belgium.

Taking into account the comment received, Fluxys Belgium submits for approval to the CREG, the so amended version of the Access Code for Transmission that aims to become applicable as from October 1st, 2023.

3 Outcome of consultation process

Feedback was received from 1 representing organization, Febeg, indicating that they had no remark on the proposal.
