3. REGISTRATION

3.1. Prerequisite

Before becoming a Participant, an interested party has to be a Terminal User under LNG Services Agreement, a Capacity Subscription Agreement, a LNG Transshipment Services Agreement or a LNG Terminalling Agreement, depending on the LNG Services on offer during the Auction Window.

3.2. Participating to Auctions

In order to be admitted as Participant to the Auctions, the Terminal User shall provide the Terminal Operator with the following documents via electronic mail to info.lng@fluxys.com:

- a Power of Attorney (substantially in the form of Schedule 1 to these T&C LNG Auctions) identifying the persons that are entitled to individually place Bids ("**Bidders**");
- proof that the signatories of the Power of Attorney have the power to act on behalf of the Participant in the Auction
- a duly signed Form of Acknowledgement of these T&C LNG Auctions

If it is the first time the Participant participates to an Auction governed by these T&C LNG Auctions, it must submit the aforementioned documents by the deadline specified on the Fluxys website. Terminal Operator will confirm receipt and whether the Participant is admitted to the Auction by electronic mail before the start of the Auction.

If it is not the first time the Participant participates to an Auction governed by these T&C LNG Auctions and if the information previously provided by the Terminal User in these signed T&C LNG Auctions is still valid, the Terminal User is automatically eligible to participate to Auctions governed by these T&C LNG Auctions.

Fluxys LNG can suspend a Participant's ability to participate to any Auction governed by these T&C LNG Auctions if it deems that the conditions for registration under these T&C LNG Auction are no longer satisfied by a Participant.

3.3. Outcome of the Auction

As soon as possible after the Auction ends and at the latest by the business day after the Auction Start Date, Terminal Operator will inform the Participants whether their participation was successful or not. The successful Participant(s) will receive a Service Confirmation Form for Contracting "SCFC".

4. PRACTICAL INSTRUCTIONS

In case an Auction takes place other than through Auction Website, Fluxys LNG will specify on its website what the practical instructions are to participate to the Auction.

In case an Auction is taking place via the Auction Website made available by Fluxys LNG, the following practical instructions are applicable.

4.1. Access to the Auction Website

Once the Registration Documents are approved by the Terminal Operator, the Bidder(s) identified in the Power of Attorney shall be provided with a username and password allowing such Bidder(s) to access the Auction Website for the first time. For the avoidance of doubt, the password will be sent separately to each Bidder, and must be kept confidential by the Bidder(s).

Upon opening of the Auction Website, each Bidder shall be required to log on to the Auction Website with the username provided and the password provided by the Terminal Operator. Upon first logon, the Bidder will be requested to change his/her password to a new password of his/her choice. The password will be necessary for submitting Bids in the

Auction as from the Auction Start Date. The Participant will make sure the Bidder(s) take(s) all necessary measures to protect their password, keep it confidential, and do not share it with any other Bidder, employee of the Participant or any other person.

The Auction Website Manual is available on the Auction Website and may be amended from time to time at the Terminal Operator' discretion. It is provided for information purposes only and is not binding on the Terminal Operator. As such the Terminal Operator is not liable for its content.

4.2. Minimum requirements Auction Website

The following minimum requirements are to be met to access the Auction website :

- Internet Explorer 8 (IE 8) or Google Chrome;
- Javascript enabled (JavaScript enables the site to refresh);
- SSL 3.0 enabled (for security reasons);
- The Participant must be registered and authenticated.

The above minimum requirements are necessary for the proper functioning of the Auction Website. It is the responsibility of the Participants to ensure that the above components are duly available and working.

5. OTHER PROVISIONS

5.1. Obligations and Liabilities

The Participant will not commit any act that would be constitutive of market abuse as defined in Regulation (EU) 596/2014 of the European Parliament and the Council of 16 April 2014 on market abuse or Regulation (EU) 1227/2011 of the European Parliament and the Council of 25 October 2011 on wholesale energy market integrity and transparency (REMIT regulation).

5.2. Warranties

5.2.1. Warranties by the Terminal Operator

The Terminal Operator makes no warranty regarding the quality or continuous availability of the Auction Website or the reception or saving of Bids in the event of technical or other problems beyond its reasonable control.

5.2.2. Representations and Warranties by the Participant

The Participant warrants and undertakes:

- (i) Participant has an LNG portfolio enabling him to use the LNG Service, and has the full financial capability associated to realizing this operation.
- (ii) None of its Affiliates is taking part in the Auction;
- (iii) The information set forth in the Power of Attorney is complete and accurate. The Participant understands that the Terminal Operator needs to process and use, for the purposes of organizing the Auction, the personal data of Participant's representatives identified in the Power of Attorney and represents that it has

informed these individuals of such processing and that they have agreed with such processing; the Participant warrants and represents that it is in compliance with the *Belgian Act of 30 July 2018 on protection of individuals in relation to personal data processing*;

- (iv) It shall independently determine its participation in the Auction, without any contact with another Participant as to the frequency and the level of its bidding.
- (v) It has not already sold, even on a conditional basis, the capacity which it is seeking to purchase through the Auction;
- (vi) Its Bidders will only place Bids for capacity pursuant to a *bona fide* estimate of Participant's actual needs. The Participant will not engage in hoarding behavior.

5.3. Termination – Rolling back (“rewind”)

Bidders may at any time before placing a Bid refrain from participating.

The Terminal Operator may, if reasonably necessary for technical or operational reasons or in the event of particular circumstances, such as manifest collusion, decide to cancel or terminate the Auction. In such case, the Terminal Operator shall immediately notify Participants in writing of such decision, without prejudice to the possibility to exclude one or several Participants. Participants or Bidders shall have no claim or right in relation to any such termination or exclusion.

If required or appropriate due to exceptional and unforeseen circumstances, the Terminal Operator may also decide to roll-back (“rewind”) the Auction to the place where it was before such exceptional circumstances occurred. If the Terminal Operator makes use of this possibility, it will report for information about such circumstances to the market and in a report to the CREG.

5.4. Confidentiality clause

The confidentiality provisions in the LNG Agreement shall apply to all information obtained by the Parties in the framework any Auction governed by these T&C LNG Auctions.

For purposes of transparency and the good working of the auctioning, the Terminal Operator may however publish demand information after each Round on an aggregated basis for purposes of preserving the Bidders' anonymity.

5.5. Notices

Without prejudice to the rules applying to communications made when an Auction is in progress (including the fallback procedure, as the case may be), all notices in writing pursuant to these T&C LNG Auctions shall be given by electronic mail to info.lng@fluxys.com.

Any notice pursuant to this article, shall be deemed effective as of the date that such mail is delivered.

5.6. Invoice

Terminal Operator will establish the invoice for the auctioned LNG Services immediately after the allocation process ends for the Cleared Price. Such invoice may have a due date before the LNG Service Start Date. If the invoice is not settled on or before its due date, Fluxys LNG may elect to immediately suspend the LNG Services purchased through the Auction and may propose to offer such LNG Services to any other Participant in the Auction (in decreasing order of Bid price) or to offer the LNG Services anew to the market.

5.7. Language

All communications pertaining to the Auction shall be in the English language only.

The convention used for writing numbers in these T&C LNG Auctions is that the space is used to indicate multiples of a thousand and the comma as the decimal point.

5.8. Miscellaneous

The Participant shall not be entitled to assign or transfer, even on a conditional basis, any right it may have in respect or as a result of the Auction to any other party, including an Affiliate, before it has duly signed the SCFC (as defined in the LNG Access Code) based on the outcome of the Auction.

All dates and time are referred to as in Belgium local time.

These T&C LNG Auctions create no rights in favor of third parties.

5.9. Governing Law and disputes

These Auction Rules shall be governed and construed in accordance with the laws of Belgium.

Any dispute, controversy or claim arising out of or in connection with these T&C LNG Auctions or any Auction governed thereby, shall be finally settled in accordance with dispute resolution provisions LNG Agreement.

Schedule 1

To be printed on Participant's letterhead, and sent to the Terminal Operator in accordance with these T&C LNG Auctions

The Power of Attorney must satisfy all formal and substantive requirements applicable to the Participant, including those resulting from its place of incorporation.
