1. Introduction and Interpretation

1.1 Clauses 1 to 17 of this Appendix A are the General Terms and Conditions and a reference to a Clause is to a Clause in these General Terms and Conditions.

2. Invoicing and Payment

2.1 In each Month, IUK shall submit an invoice by no later than the tenth (10th) day to the Shipper (either by the IUK Information System or other means specified under Clause 12.2) showing the Monthly Charge to be paid by the Shipper for the immediately preceding Month and the amount of VAT payable (if any) in respect of each item in the invoice to which VAT applies.

2.2 The Shipper shall pay the Monthly Charge:

- (a) in Pounds Sterling or Euros (as invoiced) in immediately available and freely transferable funds;
- (b) by the fourteenth (14th) day after receipt by the Shipper of IUK's invoice or the Business Day which is immediately before the fourteenth (14th) day, if the fourteenth (14th) day itself is not a Business Day (the "**Due Date**").

2.3 Payment shall be treated as having been made when the full amount due is credited to the IUK bank account: (a) without any discount associated with the transfer of monies; and (b) at the expense of the Shipper (except that any expenses charged by IUK's bank with respect to such payment shall be borne by IUK).

2.4 If the Shipper disputes any sum specified in an invoice, it shall pay:

- (a) the undisputed portion by the Due Date; and
- (b) any amount:
 - (i) agreed by the Parties or determined in accordance with the dispute resolution procedures set out in Clause 14 to be payable; and
 - (ii) interest calculated on those amounts as set out in Clause 2.5 below;

within fourteen (14) days after such agreement or determination, or the Business Day which is immediately before the fourteenth (14th) day, if the fourteenth (14th) day itself is not a Business Day.

2.5 Interest shall be payable by the Shipper or IUK on a disputed amount which is agreed or determined to be payable. Interest shall accrue from the date such amount was originally payable to the date of actual payment at a rate of interest equal to the aggregate of LIBOR (three (3) months) plus two per cent (2%), compounded quarterly.

2.6 Should the Shipper or IUK fail to make payment on the Due Date of any invoiced sum due, interest shall accrue at a rate of interest equal to the aggregate of LIBOR (1 month) plus three per cent (3%), compounded monthly, except for disputed amounts to which Clause 2.5 applies.

2.7 An invoice shall be deemed to be final and accepted by the Shipper unless it has been disputed within ninety (90) days from its date of issue.

- 2.8 (a) All payments required to be made by the Shipper shall be calculated without reference to any set-off, counterclaim or Tax and shall be made free and clear of and without any deduction for or withholding on account of any set-off, counterclaim or Tax and where the Shipper is required to make payment subject to deduction or withholding, the sums to be paid to IUK by the Shipper are to be increased to ensure that IUK receives the payment of all sums due had no such deduction or withholding been made.
- (b) Where IUK is required to make any payment on account of any set-off, counterclaim or Tax that arises in relation to any payment the Shipper is to make or makes to IUK, the Shipper indemnifies IUK for the amount of any such payment IUK is required to make, (together with related interest, penalties or other costs) provided that IUK shall use reasonable endeavours to minimise the amount of such payment. This indemnity shall not apply to corporation tax chargeable on IUK's profits.
- 2.9 Either Party may refer a dispute relating to calculation of a sum in an amount of at least ten thousand Pounds Sterling (£10,000) or an equivalent amount in Euros payable under an invoice under this Agreement (including without limitation a Termination Amount or an amount payable under an indemnity) to determination by an Expert under Clause 14 of this Agreement.

5.2 IUK may, where it reasonably believes that there is a breach of Clause 5.1(a) or (b) by the Shipper, at any time during the Term request that the Shipper provide certification in writing, signed by two directors, that the Shipper is and has been throughout the Term in full compliance with the

requirements of Clause 5.1(a) or (b). IUK may also request such information as it might reasonably require to confirm such compliance.

6. Force Majeure

6.1 The expression "**Force Majeure**" shall mean any event(s) or circumstance(s) or combination of event(s) or circumstance(s) affecting the Transportation System or the IUK Information System beyond the control of a Party (the "**Affected Party**") acting and having acted in accordance with the standard of a Reasonable and Prudent Operator and which results in the Affected Party being unable to perform or delays performance (in whole or part) of any one or more of its obligations under this Agreement.

6.2 The events or circumstances described below (without limitation) constitute Force Majeure where they satisfy the requirements stated in Clause 6.1:

- (a) acts of God;
- (b) forces of nature;
- (c) wars, insurrections, acts of terrorism, riots;
- (d) fires, landslides, floods, earthquakes, explosions;

6.3 Notwithstanding anything in Clause 6.1 or 6.2 or any other provision in this Agreement, the following events or circumstances shall not be treated as being Force Majeure or caused thereby:

- (a) failure to pay money when due;
- (b) failure to give any notice required by this Agreement unless such failure was due to Force Majeure affecting all means of serving notices specified in Clause 11;
- (c) any event or circumstance or combination of events or circumstances resulting in restrictions on the gas supplies a Shipper is to make available for delivery to the Transportation System at an Entry Point.

6.4 The Affected Party shall, for the duration of the Force Majeure, be relieved from performance of its obligations (other than its payment obligations) under this Agreement if, and to the extent that, it is unable to perform or is delayed in performance by Force Majeure (unless the Affected

Party does not take reasonable steps to prevent or mitigate Force Majeure, including those described in Clause 6.6 below).

6.5 If the Affected Party is unable to take delivery of Natural Gas or to redeliver Natural Gas due to Force Majeure and the Affected Party takes reasonable steps to prevent or mitigate Force Majeure, as described in Clause 6.6 below, the Monthly Charge shall be adjusted for the Contracted Capacity a Shipper holds that is affected by the Force Majeure, so that the Shipper shall pay:

- (a) for the first three (3) consecutive months of the Force Majeure, ninety five percent (95%) of the Capacity Charges;
- (b) where the Force Majeure continues for more than three (3) consecutive months, no Capacity Charges for the period after the first three (3) consecutive months of the Force Majeure until the Force Majeure ceases.

6.6 The Affected Party where a Force Majeure has occurred shall:

- (a) use reasonable endeavours and employ reasonable means (as would be used or employed by a Reasonable and Prudent Operator at a reasonable cost) to remedy or abate the Force Majeure as soon as reasonably practicable;
- (b) notify the other Party in writing, as soon as may be reasonably practicable, of:
 - (i) the occurrence, the cause of and the expected duration of the Force Majeure and the means proposed to be adopted to remedy or abate the Force Majeure;
 - (ii) the date and time of resumption of performance after the Force Majeure has terminated or has abated to an extent which permits resumption of performance to occur.

6.7 Where an event of Force Majeure has occurred and has continued for a period of twelve (12) consecutive months and IUK decides it is unable economically to provide the Registered Capacity allocated to Shippers and notifies all Shippers of such decision, either Party may upon written notice to the other Party terminate this Agreement and all (and not part) of its Capacity Transactions arising under it.

7. Suspension and Termination

7.1 Without affecting any other right or remedy available to it under this Agreement, IUK may suspend with immediate effect, access by the Shipper to the Transportation Services under this Agreement and all Capacity Transactions arising under it, if:

- (a) the Shipper fails to pay any amount due on the Due Date or such other date on which payment falls due and that amount remains unpaid for a period of not less than three (3) days after being notified in writing by IUK to make payment;
- (b) the Shipper commits a material breach of any term of this Agreement (other than payment terms) and the breach is irremediable or (if the breach is remediable) the Shipper fails to remedy that breach within a period of three (3) days after being notified in writing by IUK to do so;

- (c) the Shipper repeatedly breaches or is in persistent breach of any of the terms of this Agreement in such a manner as to reasonably justify the opinion that it has repudiated, rejected or disaffirmed in whole or in part the terms of this Agreement;
- (d) any warranty or representation given by the Shipper in Clause 4 is untrue or misleading;
- (e) the Shipper does not satisfy or ceases to satisfy the Credit Criteria; or
- (f) the Credit Support Provider in respect of a Shipper ceases to be acceptable to IUK pursuant to Clause 3.2 (a) or fails to comply with any obligation under Acceptable Credit Support.

7.2 Where a Shipper's access is suspended:

- (a) such Shipper may not use its Registered Capacity or acquire Offered Capacity under any Allocation Mechanism;
- (b) IUK may include all or part of the Registered Capacity of the suspended Shipper as Offered Capacity in an Allocation Mechanism as provided under paragraph 6.4 of Section B of the IUK Access Code;
- (c) such Shipper shall remain liable to pay IUK all Capacity Charges and other amounts which are due and payable to IUK and outstanding as at the date of such suspension or that fall due during the period of any suspension (except where IUK exercises its right to draw on credit support provided in respect of the suspended Shipper to satisfy payment of all such amounts);
- (d) IUK shall not be liable to pay any amounts or apply any rebates to amounts payable by the suspended Shipper, including in respect of the suspended Shipper's Registered Capacity that IUK re-allocates to another Shipper under sub-paragraph (b), whether or not due, during the period of suspension.

7.3 Where IUK is satisfied that the circumstances leading to suspension of the Shipper cease to exist, the suspension of the Shipper's access to the Transportation Services shall cease and IUK shall:

- (a) (unless the Shipper owes any amounts to IUK) apply any rebates and any payments owing from IUK to the Shipper (including Re-allocated Capacity Payments under Section F paragraph 6 of the IUK Access Code in respect of any Re-Allocated Capacity) to set-off amounts due and owing from such Shipper and IUK shall pay any balance that remains after such set-off to the Shipper, within two (2) Months after the date on which the suspension ceases; and
- (b) permit the Shipper to use its Registered Capacity in respect of which the Capacity Period has not expired, provided that where all or part of the Registered Capacity of the Shipper has been re-allocated to another Shipper, the Shipper may only use it once the period of re-allocation ends.

7.4 Without affecting any other right or remedy available to it under this Agreement, a Party may terminate this Agreement and all (and not some) outstanding Capacity Transactions under it with immediate effect by giving notice to the other Party if an Insolvency Event occurs in relation to the other Party or the other Party has committed an offence under Anti-Bribery Laws or is in breach of Clause 4.2(h) or Clause 5.1(b).

7.5 Without affecting any other right or remedy available to it under this Agreement, where:

- (a) the Shipper's access has been suspended by IUK under clause 7.1(a) and the Shipper has not remedied the non-payment within ten (10) Business Days after the date of suspension;
- (b) the Shipper's access has been suspended by IUK under clause 7.1(b) or (c) and the Shipper has not remedied the reason for suspension within ten (10) Business Days after the date of suspension;
- (c) the Shipper's access has been suspended by IUK under clause 7.1(d), (e) or (f) and the Shipper has not remedied the event or circumstance giving rise to suspension within five (5) Business Days after the date of suspension;

and there is no evidence that the Shipper intends to remedy or shall remedy the event or circumstance giving rise to suspension within the required period or the event or circumstance is incapable of remedy, IUK shall terminate this Agreement and all (and not some) outstanding Capacity Transactions of the Shipper under this Agreement by written notice to the Shipper. The notice of termination shall specify the reason for termination and designate a date of termination that will be no later than twenty (20) days after the date on which notice is given.

7.6 Where IUK has terminated this Agreement with the Shipper and all outstanding Capacity Transactions with the Shipper under this Agreement under Clause 7.4 or 7.5, the Shipper shall cease to be entitled to its Registered Capacity and access to the Transportation Services and IUK shall calculate an amount equal to the sum of:

- (a) all amounts due and payable that are unpaid by the Shipper at the date of termination, including in respect of the events or circumstances leading to such termination and under any indemnities in this Agreement; and
- (b) all of the Monthly Charges that would have been payable by the Shipper in respect of its Registered Capacity for all Capacity Period(s) from the date of termination up to a maximum of ten (10) Gas Years after the date of termination;

(the "**Termination Amount**") which shall become immediately due and shall be payable on a date IUK specifies. Payment of such Termination Amount shall constitute full and final satisfaction of a Shipper's obligations and liabilities under this Agreement.

Where IUK subsequent to such termination makes available and allocates to other Shipper(s) within three (3) Months after the date of termination Capacity that was registered to the terminated Shipper in accordance with paragraph 1.2 of Section B of the IUK Access Code and IUK receives payment of Capacity Charges from such Shipper(s) in respect of such Capacity, the Termination Amount shall be reduced by the amount of Capacity Charges IUK receives in respect of such resold Capacity.

7.7 This Agreement may be terminated by a Shipper, upon such Shipper giving at least ten (10) days' notice in writing of such termination to IUK, subject to:

- (a) the relevant Shipper not holding Registered Capacity in respect of any Gas Days after the date of termination;
- (b) there being no outstanding or accrued obligations or liabilities of the relevant Shipper in respect of Registered Capacity it holds on or before the date of termination; and
- (c) there being no obligations or liabilities of the relevant Shipper falling due after the date of termination in respect of Registered Capacity it holds on or before the date of termination

other than in respect of the Monthly Administration Fee payable for the Month in which such termination occurs.

7.8 Having regard to IUK's statutory duties, in particular the obligation to take system integrity and efficient operation into account when making capacity available and its obligation to act in a manner to ensure that it always has available such resources to properly and efficiently participate in the operation of the Pipeline (under Standard Licence Condition 19(1) of the Interconnector Licence):

if at any time, after having considered all reasonable solutions, IUK decides it is unable economically to provide the Registered Capacity allocated to Shippers, IUK may (after having notified Ofgem and CREG of its decision and the reasons for such decision) at its sole discretion terminate upon no less than twelve (12) months' notice to all Shippers this Agreement and all (and not part) of IUK's obligations arising in respect of Capacity Transactions for Registered Capacity to all Shippers and shall repay to such Shippers any cash cover provided before such termination date to IUK (if any) in respect of such Registered Capacity.

7.9 Where this Agreement is terminated under any of Clauses 6.7, 7.7, 7.8 or 17.5:

- (a) the Shipper will cease to be entitled to Registered Capacity and access to the Transportation Services; and

Subject to Clause 10, such written notice shall contain the required information and a copy of each such notice shall be sent immediately to IUK.
