New Implicit Allocation Partner to Market IUK Capacity

IUK is excited to announce the introduction of Tullett Prebon as an Implicit Allocation Partner alongside our existing Partners; Griffin Markets Limited, Cavendish Markets B.V. and HPC SA.

As of 01st June 2020, Tullett Prebon will be offering the full suite of IUK Implicit Allocation Capacity Products via their online portal. An active broker of the NBP-ZEE spread, Tullett Prebon will open IUK capacity to a wider market, increasing opportunity and optionality for our Shippers.

IUK looks forward to working with our new Partner and is confident of the benefits it will bring to our Shipper community.

In order to book IUK capacity via IAM you must be registered with at least one of the partners. For more information please see [IUK's website](#) or contact;
